17. **Buyer Added Bid Specific ATC**

Buyer Added text based ATC clauses

1. Provide Technical Bid mentioning the BID Number, Date, Item description, Make, Model No, specifications and product image for reference and its features, optional, and Technical Specification / data sheet / Technical Compliance Statement and to submit supporting document properly of the said bid.
2. The Product Brochure with Product technical Catalogue Number / Model Number for Offered / quoted of the supplying item may be enclosed with all the details and supporting literature. In the absence to respective documents the bidder automatically disqualified for the bidding
3. It has been noticed that few bidders simply copy paste technical compliance points from Bid documents and make their technical brochure and submit compliance statements. It has been observed such firms in case they become L-1 then supply the material which is not matching with specification or ask for modification request after delivery and try to make fit near specification which not only creates a dispute but also a time /research ingredients are wasted due to substandard quality of supplied product. CDFD has viewed this issue/cases very seriously. Therefore, it is strongly stated that the vendor must supply the equipment matching exactly with specification as asked in Bid documents and no further modification will be allowed once the item is received at CDFD. If the item supplied is not matching with specification, It will be rejected immediately, Po will be cancelled, and the Bidder/OEM will be Blacklisted for a period of Three Years from date of rejection from further participation of any of CDFD Bid. Bidders must give their compliance for this point failing which your bid will be rejected.

Detailed user / service manual should be provided along bid document
